**LOT 158 - Callaway Diablo Tour Golf Balls, One Dozen (12), New**

### Description

## Callaway Diablo Tour Golf Balls, One Dozen (12), New

### From Callaway:

Callaway Diablo Golf Balls feature a Power Core design for distance and greenside control. HEX Aerodynamics helps reduce drag and produce a penetrating ball flight, while the soft outer cover provides a soft feel. Our proven ionomer cover also provides low driver spin for long, straight shots.

#### Distance and Greenside Control

- The Power Core is firmer at the outer edges for distance and low spin off the driver. It's also softer in the center for more spin and enhanced feel with your shorter clubs.
