LOT 165 - SwissTek AirDock 3-in-1 Wireless Charging Station

Description

SwissTek AirDock 3-in-1 Wireless Charging Station, Boxed, Black

This AirDock is like new, and the charging cord and plug are included and factory-packed.

From Swisstek:

Eliminate the cable clutter and charge your iPhone, Apple Watch, and AirPods at the same time with AirDock. This power station houses all the needed electronics to power up all 3 of your devices at the same time, including a high-power AC Adapter. Using highly efficient components and an advanced chipset, the charger's double coil design greatly increases the device charging speed. It's designed to eliminate the radiation and overheating risks associated with wireless charging. It comes engineered with overvoltage protection, temperature control, foreign object detection, and more so you and your iPhone are protected.
