This factory-packaged inverter is new in the box.

From Duracell:

Get more done and have more fun anywhere with the Duracell 1000W High Power Inverter. When connected to a battery (such as your car, RV or boat's battery), the 1000W Inverter supplies up to 1000W of continuous power and 2000W of peak power, allowing you to charge and operate up to five devices at the same time. Make your mobile worksite more productive and campsite more cozy with two 3-Prong AC outlets, two USB-A ports and one USB-C port that can power anything from handheld tools to small appliances, TVs, cellphones and laptops. For work, for fun — and for peace of mind in an emergency — the Duracell 1000W High Power Inverter makes convenient power more portable and life on the go more enjoyable.
