**LOT 170 - LEGO VIDIYO K-Pawp Concert 43113, Factory-sealed**

### Description

## LEGO VIDIYO K-Pawp Concert 43113 Building Kit Toy; Inspire Kids to Direct and Star in Their Own Music Videos; New 2021 (514 Pieces)

**This factory-sealed box has a dent on the back.**

- Inspire kids to direct and star in their own music videos with the LEGO VIDIYO K-Pawp Concert (43113). Includes 3 minifigures with musical accessories, 14 random BeatBits and 3 special BeatBits
- Download the LEGO VIDIYO app to scan the bunny, kitten and flying unicorn minifigures, the special effect BeatBits and the model. See the model become a stage for the characters to perform on!
- Scan the BeatBits in the app to unlock special effects like the one that gives all the characters matching costumes or the one that makes the characters recreate K-Pop dance poses
- Kids will love making changes to their real-life LEGO model to change the scenery in their video – like switching the unicorn head for a cat head to see the video backgrounds change.

- A fun music experience for a boy or girl aged 8 and up who deserves a treat. This K-Pop concert playset also makes a great holiday gift for any child who loves music toys, dancing and performing
