Description

Ionvac SmartClean 2000 Robovac Vacuum, WiFi Robot Vacuum Cleaner with App/Remote Control, New

This item is in an open box. You are welcome to inspect (as always) during preview hours.

Key item features

- **Powerful Suction:** With 2000Pa of suction power, it effectively sweeps floors, outperforming comparable smart vacuums.
- **Advanced Sensors:** Anti-collision and cliff sensors prevent the vacuum from bumping into obstacles and falling downstairs.

- Automatic Charging: Automatically docks and recharges its Li-ion battery, providing up to 100 minutes of cleaning between charges.
- Comprehensive Cleaning: Features side brushes, a roller brush, a large 600 ml dustbin, a high-efficiency filter, and rubber terrain wheels for easy transition from hardwood to carpet.
- Quiet Operation: Operates at 62db, quieter than comparable smart vacuums, similar to a normal conversation or background music.
- Multiple Modes: Offers four cleaning modes: auto clean, spot clean, edge clean, and manual control to suit various cleaning needs.
- Smart Control: WiFi-enabled for voice commands via Google Assistant or Alexa, and can be controlled using a remote or the Tzumi Smart Home app.
- Lightweight Design: Weighs 7.8 lbs, making it easy to handle and
